

7/7/2009 - We pulled Penelope out of the Augora Hills Shelter weighing 22lbs and she lost 5 pounds while in rescue. - Update... 11/10/2009 Penelope was adopted, lost an additional 2 pounds and now weighs 15 pounds thanks to her adoptive family.

"Hi Shannon

Penelope weighs about 15 pounds. Can't remember what her goal weight was, but she's healthy and happy! She can hold her own on a 1 hour power walk-no problem! -which she goes on every day! She brings us so much joy and we love her dearly. We can't imagine our family without her. Hope all is well with you. Thank you again for the great work you do! ..... she can run like the wind! She is so fast. She out runs me and any other dog twice her size!!! Who knew???:)"
